

# DUNGANNON BAPTIST CHURCH

**A new  
beginning...**

***"Come and see what the Lord has done"***

# DUNGANNON BAPTIST CHURCH

Railway Road, Dungannon BT71 7AA

Our former Church building was over 100 years old and we decided to replace it with a new building more suitable for our purpose. The demolition of the old building started on the 13th October 2008. We are thrilled that on 3 October 2009 the official reopening will take place.

## A new beginning...

A programme of events has been planned around the opening which will give you the opportunity to visit the building itself and to hear why we believe it is important to invest time and money in erecting a building such as this.

We believe that a building is simply a tool to be used to help people hear and accept the message of Jesus and then help them to grow in their Christian faith.

We give you a special invitation to attend the opening events and to attend any of our regular services and church activities.
